## Nineteenth Annual “Hero’s Golf Tournament”

Dear Friend,

The Chester County Fraternal Order of Police, Lodge #11 is presenting our Nineteenth Annual **“Hero’s Golf Tournament”** on **Monday, September 16, 2024** at the **Downingtown Country Club**. Quite often the work of emergency responders goes overlooked. It is the responsibility of the Chester County F.O.P., which represents 51 police departments in Chester County, to provide security for those who dedicate their lives to law enforcement. While the purpose of the Chester County Hero Fund is to render financial assistance to the widows, children, and families who are left behind when an emergency responder is killed or seriously injured in the line of duty. Over 5,000 brave men and women serve Chester County in various capacities including police officers, deputy sheriffs, firefighters, emergency medical technicians, paramedics, and state troopers.

In recent years, our emergency responders have become victims of crime and sacrificed their safety while serving the community. Once again, the golf tournament committee is seeking sponsors for this worthy cause. The success of any endeavor is dependent upon the generosity of our friends, neighbors, and local businesses through donations. With this in mind our committee has established five levels of sponsorship. We’ve included a copy of these levels, as well as, literature explaining the goals and objectives of the Chester County Fraternal Order of Police and the Chester County Hero Fund.

If you feel that your organization can help our first responders achieve our goals, please contact any of the below tournament committee members. We sincerely thank you for your time, concern, and consideration.

Dear Friends,

The executive officers and members of Chester County Lodge No. 11, Fraternal Order of Police, would like to thank you for your generous support of our eighteenth previous "Hero's Golf Tournaments." Because of the interest and support from individuals like you, the tournaments have been a huge success! We were able to continue to assist the law enforcement officers of Chester County with the many challenges they face on a daily basis. We were also able to provide generous assistance to the Chester County Hero Fund so it may render the necessary financial assistance to the families of law enforcement officers, firefighters, ambulance, and rescue personnel who are seriously injured or killed in the line of duty.

The Chester County Fraternal of Police consists of over 940 law enforcement officers (active and retired) serving more than 50 departments throughout Chester County. These law enforcement professionals are united in an effort to improve their chosen profession and to protect the welfare of all citizens in the community. The FOP in Chester County has long been involved in community activities and charitable events to enhance the lives of our citizens and to foster respect for law enforcement. We are proud to be members of the largest police order in the United States. Please visit our website – [www.chestercountyfop.org](http://www.chestercountyfop.org) – to learn more about our organization.

Your ongoing support of our Nineteenth Annual Hero's Golf Tournament" on Monday, September 16, 2024, will assist Lodge No. 11 in continuing to provide support and assistance, not only for law enforcement professionals throughout Chester County, but also thousands of additional first responders in Chester County that one day may benefit from the assistance provided by the Chester County Hero Fund.

Thank you again for your generous support

Respectfully,

Robert F. McCarron  
President  
Chester County Lodge No. 11  
Fraternal Order of Police

Dear Friends:

Thank you for your participation and support during the annual **Fraternal Order of Police Hero's Fund Golf Tournament** over the past eighteen years.

This year, the tournament will be held at the **Downingtown Country Club** on **Monday, September 16, 2024**. We are looking forward to another great event.

Your support benefits both the **Chester County Hero Fund** and the **Chester County Fraternal Order of Police, Lodge #11**. Each year has been more successful than the last and we hope to continue that trend during the nineteenth annual **Hero's Fund Golf Tournament**.

The Chester County Hero Fund was established to provide financial assistance to the families of police officers, deputy sheriffs, firefighters, state troopers, paramedics, and emergency medical technicians who are killed or seriously injured in the line of duty. We are fortunate to have over three thousand first responders serving in Chester County, including over eight hundred law enforcement officers.

The Chester County Hero Fund is financed entirely through contributions from citizens, businesses, and corporations to make assistance available to first responders and their families in need.

I invite and encourage you to participate in the upcoming Hero's Fund Golf Tournament; it is a great way to join many other friends from our community who are committed to supporting our first responders.

Thank you sincerely for your generosity. We look forward to seeing you during this event.

Sincerely,

Steven J. Plaugher  
President
